

Material Safety Data Sheet

in accordance with § 91/155

Product: **EBIPHOB AgProtect**

Date of issue: 2015-01-10 revised on:

page: 1/3

1. General Information:

Trade Name: AgProtect
Product: EBIPHOB AgProtect
Function: Protects and makes easy clean
Manufacturer: M. EBINGER, Hütteldorferstrasse 30, 1150 Vienna, Austria
Emergency Phone: +43 1 486 89 04

2. Information on composition & ingredients

Chemical Characterisation: Aqueous solution

Dangerous Ingredients: None

Ingredients: Ingredients trade secret

3. Hazards Identification

Main Health Effect: None

Physical Danger: None

Special Hazardous: None. For R-and S-Phrases please see following section 15

4. First Aid Measures

Inhalation: Inhalation is not a likely route of exposure to this product. If inhaled, remove from exposure and provide plenty of fresh air.

Skin Contact: Wash with fresh water.

Eye Contact: Flush immediately with large amounts of water as a precautionary measure, lifting upper and lower eyelids occasionally.

Ingestion: Rinse mouth out and drink plenty of water. Take to a physician for medical treatment.

Notes to Physician: Take attention to pH-value under section 9.

5. Fire & Explosion Hazard Data

General Information: Product is an aqueous solution and non-flammable

Explosion Hazard: None

Unusual Explosion Hazards: None

6. Spill or Leakage Procedures

If this product is released or spilled, confine in small area, contain and remove with an inert absorbent (sand, earth, etc.)

7. Handling and Storage

Handling: Do not take internally. Do not get in eyes. Use good hygiene practices and wash out spilled product after using.

Storage: This product should be stored at room temperature. Avoid subjecting to extreme temperature variations and freezing. Keep containers in a cool and dry place.

Average Shelf Life: Stable for a minimum of 9 month under mentioned storages conditions.

Storage Container: This product should be stored in a closed container to prolong shelf life. Plastic container is generally used for standard storage.

Precautions: Place inaccessible to children and pets.

Material Safety Data Sheet

in accordance with § 91/155

Product: **EBIPHOB AgProtect**

Date of issue: 2015-01-10

revised on:

page: 2/3

8. Exposure Controls/Personal Protection

Ventilation: Not required. General room ventilation is expected to be satisfactory.

Respiratory Protection: No special requirements.

Eye Protection: Keep away from eyes. Safety glasses are not required under most conditions.

Hand Protection: Protective gloves are not required under most conditions. In long-lasting contact plastic or latex rubber will provide adequate protection.

Skin Protection: Full protective gear is not necessary for normal use.

Other Protection: Other equipment not likely to be needed.

9. Physical and Chemical Properties

Appearance: Liquid

Odour: Odourless

Colour: Clear

Solubility: Soluble in water

Specific Density: 1.01 g/cm³ at 20 °C

Evaporation Rate: Similar to water

pH: >> 12

Flammability: Non-flammable

Oxidising Properties: None

10. Stability and Reactivity

Chemical Stability: Stable under ordinary conditions of use and storage

Hazardous Decomposition Products and Polymerisation: Under regular conditions none.

Incompatibilities: Avoid materials that are water reactive or highly acidic.

Conditions to Avoid: Avoid extreme temperatures and freezing conditions

11. Toxicological Information

None. The studies did not reveal any signs of toxicity.

12. Ecological Information

Ecological properties of this product are thoroughly investigated according to OECD Regulation 209. The study did not reveal any signs of toxicological effect on micro organisms. Ingredients are biodegradable and not harmful to the environment.

13. Disposal Consideration

Waste Product Disposal:

This product is not ignitable, corrosive, reactive or toxic. Therefore it is not defined as hazardous waste. All disposal methods must be in compliance with local, state and federal laws and regulations.

Container Disposal:

Wash out used container and dispose into trash container for plastic.

14. Transportation Information

GGVS/ADR/RID (Road and Railway): No Restriction

IATA/ICAO (Air Transport): No Restriction

IMDG (Marine Transport): No Restriction

Remarks: Avoid from freezing conditions. Please see Section 12

Material Safety Data Sheet

in accordance with § 91/155

Date of issue: 2015-01-10 revised on:

page: 3/3

15. Regulatory Information

Hazard Identification: No dangerous goods according to EEC

R-Phrases: None

S-Phrases: S2 – Keep out of reach of children

16. Other Information

Label Precautions: Avoid contact with eyes, skin and clothing. Do not drink it. Wash thoroughly after handling. Avoid breathing dust or vapours. Keep container closed.

Label First Aid: If swallowed, rinse mouth out and drink plenty of water. Take to a physician for medical treatment. If inhaled, remove to fresh air. In case of contact, immediately flush eyes or skin with plenty of water. If applied by aerosol, use adequate ventilation.
